

# DIGITAL TRUST CONCLAVE 1.0

08-Aug-25, Friday

JIS University, Kolkata

# CSA KOLKATA CHAPTER

The Cloud Security Alliance is the world's leading organization committed to awareness, implementation, and certification for the future of cloud and cybersecurity. CSA harnesses the subject matter expertise of industry practitioners, associations, governments, and its corporate and individual members to offer cloud security-specific research, education, certification, events and products.

CSA Chapters help to create a more secure cyberworld by engaging IT professionals in their communities.

CSA chapters are made up of security professionals who volunteer to increase cloudsecurity awareness in the region. We work to solve cloud vulnerabilities and challenges, by collaborating with other experts for cloud security best practices. We offer participants an opportunity to learn and train in the in the field of Cloud and Information Security.
